## Invitation - Call for papers

---

The Centre for Entrepreneurship of the Faculty of Management, University of Warsaw has a great pleasure to invite you to participate in the 4th international conference on entrepreneurship which will be held in Warsaw, on the 16th and 17th of November 2017. This year we would like not only to discuss different faces and aspects of entrepreneurship, and as well – classical and alternative research perspectives in entrepreneurship, but also propose thematic tracks to focus discussion on crucial aspects of entrepreneurship

The conference will create an opportunity to meet Polish and international scholars as well as representatives of Polish business environment. We hope for fruitful and inspiring discussions, that will flourish in future collaborations in the fields of research and education.

This year, we prepared eight main conference tracks to choose for our participants:

1. Entrepreneurial orientation,
2. Immigrant entrepreneurship,
3. Entrepreneurial education,
4. International strategic entrepreneurship,
5. Entrepreneurial ecosystem,
6. Agricultural, rural, local entrepreneurship,
7. Social entrepreneurship,
8. General entrepreneurship.

We are also open for others subjects. If you are interested in preparing a presentation, you are welcome to send us an abstract, please use the registration form on our webpage.
